

How Hudson County Community College is responding to executive orders concerning DACA and undocumented students.

HCCC WILL:

Provide counseling support on immigration-related concerns.

Counsel those impacted with resources for educational and living expenses for which they are legally eligible.

Vigorously investigate and prosecute anyone who threatens, intimidates or harasses any member of our community.

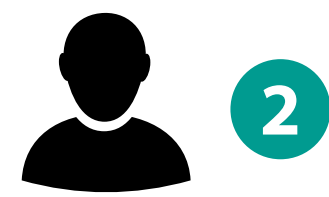

Intensify the college's long-standing advocacy for expanded access to higher education for all our students.

HCCC WILL NOT:

Voluntarily disclose immigration and/or citizenship status information to federal authorities absent a court issued subpoena.

Ask questions regarding immigration and/or citizenship status except when relevant to the service being provided.

Voluntarily disclose immigration and/or citizenship status information to federal authorities unless necessary to comply with a federal regulation or to protect a person's safety.
